In Conclusion: The most incredible part of this will be that in the midst of such meltdown, there is a message for God's people: *Exodus 14:13 "Do not be afraid!! Stand and see the Salvation of the Lord."* The events of the last days will be manifest with a power from heaven that the world has not seen for many centuries. For our part, we are

to study the book of Revelation and make ourselves ready for the last great events of history.

Let all read carefully the thirteenth chapter of Revelation, for it concerns every human agent, great and small. Every human being must take sides- either for the true and living God who has given to the world the memorial of Creation in the seventh day Sabbath, OR for a false Sabbath, instituted by men who have exalted themselves above all that is called God or that is worshipped, who have taken upon themselves the attributes of Satan in oppressing the loyal and true who keep the commandments of God. This persecuting power will compel the worship of the beast by insisting on the observance of the Sabbath he has instituted. Thus he blasphemes God, sitting “in the temple of God, showing himself that he is God” **2Thessalonians 2:4 3SM 424.1**

In the last weeks we have explored the winds of strife, now, in the next several weeks I would like to explore “*The Mighty Wind*” that falls on God’s people. Stay tuned....
