Retreat Guidelines

Be mindful

- Leave your dirt bike and three-wheeler at home. Please don't be the object of a rescue going in and out of camp.
- Please, no shooting during the Sabbath hours and use only the designated shooting areas while at camp.
- Be respectful of others and enjoy quiet time from 10 p.m.-7 a.m.
- Please use designated outhouses: one at the airstrip or one at the cabin.
- Clean up after yourself. Kent Sandvik and Monte Burtch have graciously allowed us to use their camp, let's keep it clean.
- Keep ATV's off the runway and watch for air traffic!
