MEET THE SPEAKER

WES PEPPERS

It Is Written

Wes Peppers currently serves as the Evangelism Director for It Is Written. He has also served as a pastor, evangelist, and Conference Administrator. He became a Seventh-day Adventist Christian at the age of 22 after being an atheist/agnostic for several years. As a two type cancer survivor while in his 20's, he has a powerful testimony of God's goodness and a renewed passion for His message. His greatest desire is to lead people into a deeper, intimate relationship with Jesus Christ, inspiring them to become faithful disciples who share Him with others. His highest ministry and calling is being a husband to his wife Marion and father to their children, Levi and Liana.

The background is filled with tall evergreen trees under a clear blue sky. The scene appears to be a retreat or a group activity in nature.
